This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ABSTRACTS, CONFERENCE ANNOUNCEMENTS, EDITORIALS, EDUCATION NOTES, LETTERS TO THE EDITOR, AND PUBLICATIONS REVIEWS.

SUBJECT INDEX

ABSTRACTS
behavioral strategies to deter adolescent drinking and driving 105
decreasing the incidence of hypertension through physician-facilitated group education programs 103
dental health promotion aimed at college students ... 103
health family trees target prevention strategies 105
helping to safeguard latchkey children 107
hepatitis B immunization program at a university health center 106
a hospital-home fall prevention program for the elderly 102
improved system of providing immunizations in Native American communities 107
the need for a fact book on legislation regulating smoking in the workplace 106
pelvic inflammatory disease prevention program 105
pharmacy students can be beneficial in the area of drug abuse 106
prevention and control of dental diseases of the institutionalized elderly 104
previous induced abortion associated with later placenta previa 106
smoking cessation program for pregnant women in WIC nutrition centers 104
students, optometrists prove feasibility of mass vision screening in Portland, OR 102
a study of two worksite smoking cessation programs . 104
teaching the benefits of flossing in San Antonio 103

ACCESS TO HEALTH CARE
access of Hispanics to health care and cuts in services: a state-of-the-art overview ..... a 238
Indians' right to access to services reaffirmed in HHS policy agreement ..... br 560

ACUTE RESPIRATORY DISEASE
risk of acute respiratory disease among pregnant women during influenza A epidemics ..... a 205

ADOLESCENTS
behavioral strategies to deter adolescent drinking and driving ..... abs 105
communities get $1.2 million for programs to address teenage pregnancy ..... br 658
dental health promotion aimed at college students ... abs 103
paths to adolescent parenthood: implications for prevention ..... a 132
pharmacy students can be beneficial in the area of drug abuse ..... abs 106
smoking and smokeless tobacco use among adolescents: trends and intervention results ..... a 373

AGED
community mental health care for the elderly—a look at the obstacles ..... a 294
foundation's new initiative will help older persons to remain independent ..... br 440
a hospital-home fall prevention program for the elderly ..... abs 102
new settings, advances explored in meetings on geriatric education ..... br 559
prevention and control of dental diseases of the institutionalized elderly ..... abs 104
Senate committee issues new report on aging ..... br 444

AHECs
the AHEC contribution to social work education .... a 187
urban AHECs: a comparison with rural AHECs .... a 637

AIDS
Acquired Immunodeficiency Syndrome: current and future trends ..... a 459
AIDS drug trial centers funded at $100 million over 5 years by NIAID ..... br 553
comprehensive AIDS service offered at Johns Hopkins ..... br 335
consultation and collaborative studies on AIDS offered by new center and registry at the Armed Forces Institute of Pathology ..... br 108
Coolfont report: a PHS plan for prevention and control of AIDS and the AIDS virus ..... a 341
foundation to award $17.2 million for AIDS help ... br 335
key epidemiologic questions about AIDS and infection with HTLV-III/LAV ..... a 234
perinatal AIDS guidelines recommend counseling, antibody testing ..... br 220
Public Health Foundation issues AIDS infection guide ..... br 553
the search for an AIDS vaccine ..... a 232
statement on the development of guidelines for the prevention of AIDS transmission in the workplace. a 6
3 new AIDS videotapes made available by Public Health Service ..... br 554

key epidemiologic questions about AIDS and infection with HTLV-III/LAV ..... a 234
perinatal AIDS guidelines recommend counseling, antibody testing ..... br 220
Public Health Foundation issues AIDS infection guide ..... br 553
the search for an AIDS vaccine ..... a 232
statement on the development of guidelines for the prevention of AIDS transmission in the workplace. a 6
3 new AIDS videotapes made available by Public Health Service ..... br 554

ALASKA NATIVES
agencies agree to develop Indian injury control program ... br 338
decline in intent mortality of Alaskan Yupik Eskimos from 1960 to 1980 ... a 309
Indians' right to access to services reaffirmed in HHS policy agreement ... br 560

ALCOHOL
behavioral strategies to deter adolescent drinking and driving ... abs 105
drinking levels, knowledge, and associated characteristics, 1985 NHIS findings ... a 593

AMBULATORY CARE
demonstration shows hospital primary care possible and effective ... br 111
national consumers guide covers walk-in care centers ... br 557

ARMED SERVICES
consultation and collaborative studies on AIDS offered by new center and registry at the Armed Forces Institute of Pathology ... br 108
Pentagon orders look at military hospital care ... br 336

ASBESTOS
the "missing cases" of pleural malignant mesothelioma in Minnesota, 1979–81: preliminary report ... a 395

ASPIRIN
uniform aspirin labeling regulations proposed for Reye syndrome alert ... br 221

BANGLADESH
training faculty in Bangladesh to use a microcomputer for public health: followup report ... a 616

BIRTHS
births, deaths, divorces up in 1985; marriages down ... br 440
U.S. births, birth rate dipped slightly in 1983, bounced back in 1984 ... br 113

BLACKS
black, Hispanic physicians to increase by year 2000 ... br 556
less "good news" and more accurate news is needed for cancer prevention ... ltr 5
lung cancer rates are alarming and are NCI's greatest challenge ... ltr 5

BREAST CANCER
breast cancer education publications ... cover 3, May-June

BREASTFEEDING
followup report on progress after the Surgeon General's Workshop on Breastfeeding ... br 337
promoting breast feeding among Hispanic women in Santa Cruz County ... br 661

BURNS
socioeconomic factors and burn rates in persons hospitalized for burns in Massachusetts ... a 389

CANCER
breast cancer education publications ... cover 3, May-June

cancer data for 1935–79 in Connecticut are basis of NCI monograph ... br 443
cancer mortality, ethnicity, and socioeconomic status: two New York City groups ... a 547
health family trees target prevention strategies ... abs 105
less "good news" and more accurate news is needed for cancer prevention ... ltr 5
limb-sparing treatment 'appropriate' for adult soft tissue sarcomas, osteosarcomas ... br 443
lung cancer rates are alarming and are NCI's greatest challenge ... ltr 5
Massachusetts' approach to the prevention of heart disease, cancer, and stroke ... a 29
the "missing cases" of pleural malignant mesothelioma in Minnesota, 1979–81: preliminary report ... a 395
monograph examines cancer in Connecticut, Denmark ... br 561
symposium on calories and energy expenditure in carcinogenesis scheduled ... br 111
testicular self-examination: a public awareness program ... a 98

CARDIOVASCULAR DISEASE
health family trees target prevention strategies ... abs 105
Massachusetts' approach to the prevention of heart disease, cancer, and stroke ... a 29
the National Cholesterol Education Program ... e 2
the role of churches in disease prevention research studies ... a 125
test your healthy heart I.Q. ... cover 3, July-August
use of physician services following participation in a cardiac screening program ... a 315

CHILDREN
American Indian safety posters ... cover 3, March-April
childhood leukemia in Woburn, Massachusetts ... a 201
curtailment of well child services by a local health department: impact on rural 2-year-olds ... a 301
education of young children concerning poison prevention ... a 90
feasibility of screening young children in day care centers—a preliminary investigation ... a 191
fitness of U.S. school children deteriorating ... br 441
the Head Start dental component: evaluation of an urban program ... a 433
health and special education: a study of new developments for handicapped children in five metropolitan communities ... a 379
helping to safeguard latchkey children ... abs 107
Hopkins gets $4.7 million A.I.D. grant for child survival programs in the Third World ... br 222
the management and use of data on maternal and child health and crippled children: a survey ... a 320
new Red Book on infectious diseases issued by Academy ... br 561
otitis media, hearing loss, and child development: a NICHD conference summary ... a 289
a time series study of the effectiveness and costs of EPSDT outreach in Maine ... a 68
use of health care by chronically ill children in rural Florida ... a 644
video games may identify hypertension-prone youngsters ... br 554

CHOLESTEROL
the National Cholesterol Education Program ... e 2

CHURCHES
the role of churches in disease prevention research studies ... a 125

CLINICAL TRIALS
AIDS drug trial centers funded at $100 million over 5 years by NIAID ... br 553
Rand report on initiating clinical trials of medical practices funded by NIH ... br 219
Society for Clinical Trials issues call for abstracts ... br 562

COMMUNITY HEALTH
community health center and migrant health programs funded ... br 442
Community Health Promotion Grant Program announced by Kaiser Foundation ... br 439

medical students in community and migrant health centers successful ... br 109
new study provides close look at health services in New York City ... br 442
197 communities get HHS Secretary's health promotion award ... br 554

CONFERENCE ANNOUNCEMENTS
AAPHD seeks public health dentistry papers for meeting ... 222
animal-people conference scheduled for Boston ... 222
infantile apnea conference begins September 29 at NIH ... 442
2nd work illness symposium in Cincinnati Oct. 28-31 560
Society for Clinical Trials issues call for abstracts ... 562
symposium on calories and energy expenditure in carcinogenesis scheduled ... 111
WFPHA calls for abstracts of papers for March 1987 meeting in Mexico City ... 445

CONFERENCE REPORTS
Coolfont report: a PHS plan for prevention and control of AIDS and the AIDS virus ... a 341
erratum: malpractice forum proceedings ... 225
health implications of smokeless tobacco use ... a 349
limb-sparing treatment "appropriate" for adult soft tissue sarcomas, osteosarcomas ... br 443
otitis media, hearing loss, and child development: a NICHD conference summary ... a 289
role of nurses in meeting needs of the homeless: summary of a workshop for providers, researchers, and educators ... a 494
the Surgeon General's Workshop on Violence and Public Health: review of the recommendations ... a 8

CONSUMERS
the attitudes of consumers toward direct advertising of prescription drugs ... a 82
national consumers guide covers walk-in care centers. br 557

DATA BASES AND DATA SYSTEMS
computerized network of physician disciplining expanded with HRSA funds ... br 108
health index data base is a guide to data tapes for Health Examination Surveys ... br 116
the management and use of data on maternal and child health and crippled children: a survey ... a 320
new system simplifies database searching of NLM's computerized files ... br 336
training faculty in Bangladesh to use a microcomputer for public health: followup report ... a 616

DENMARK
monograph examines cancer in Connecticut, Denmark br 561

DENTAL CARE
the Head Start dental component: evaluation of an urban program ... a 433
health manpower shortage areas declined in 1985 ... br 337
prevention and control of dental diseases of the institutionalized elderly ... abs 104
teaching the benefits of flossing in San Antonio ... abs 103

DENTAL HEALTH
dental health promotion aimed at college students ... abs 103
the fluoridation status of U.S. public water supplies . a 157
NIDR issues new pamphlets on diabetes and oral health ... br 560

DEVELOPING COUNTRIES
histopathology in tropical medicine: a perspective ... a 417
Hopkins develops simplified eye test for vitamin A deficiency in Third World ... br 112
Hopkins gets $4.7 million A.I.D. grant for child survival programs in the Third World ... br 222
WHO analysis links infant mortality rates in Third World to female literacy ... br 335

DIABETES
health family trees target prevention strategies ... abs 105
NIDR issues new pamphlets on diabetes and oral health ... br 560
a proposal for detecting and managing gestational diabetes by coordinating existing services ... a 94
Zuni diabetes project ... a 282

DISABLED
health and special education: a study of new developments for handicapped children in five metropolitan communities ... a 379
the management and use of data on maternal and child health and crippled children: a survey ... a 320

DOG BITES
a study of dog bites on the Navajo Reservation ... a 50

DRUG ABUSE
cocaine: it costs too much ... e 121
pharmacy students can be beneficial in the area of drug abuse ... abs 106

DRUGS
the attitudes of consumers toward direct advertising of prescription drugs ... a 82
new drug approval record set in 1985 by FDA: Bowen ... br 223
1985 National Drug Code Directory published by FDA ... br 224

DYSLEXIA
new decoding skills test developed for dyslexics ... br 556

EARLY AND PERIODIC SCREENING, DIAGNOSIS, AND TREATMENT
a time series study of the effectiveness and costs of EPSDT outreach in Maine ... a 68

ECONOMICS, HEALTH
prenatal participation in WIC related to Medicaid costs for newborns in Missouri, 1982 update ... a 607
a time series study of the effectiveness and costs of EPSDT outreach in Maine ... a 68
vaccine supply and liability ... e 229
WFPHA calls for abstracts of papers for March 1987 meeting in Mexico City ... br 445

EDITORIALS
cocaine: it costs too much ... 121
health problems of minority groups: public health's unfinished agenda ... 230
the Leesburg amendment to the social contract: public health and violence ... 1
the National Cholesterol Education Program ... 2
of oaks and acorns—student ideas on prevention ... 3
public awareness, individual behavior, and disease prevention ... 565
time. . . and time again ... 453
vaccine supply and liability ... 229

EDUCATION NOTES
graduate summer session in epidemiology ... 227
NIOSH-sponsored courses in occupational safety and health ... 118, 226, 339, 449, 563, 664

ELECTRONIC INFORMATION SERVICES
computerized network of physician disciplining expanded with HRSA funds ... br 108
FDA's Radiological Health Bulletin is available electronically ... br 444

ENVIRONMENTAL HEALTH
childhood leukemia in Woburn, Massachusetts ... a 201
EPA-HRSA hotline available for pesticide poison

cases ... br 113
Rocky Mountain spotted fever in Georgia, 1961–75: analysis of social and environmental factors affecting occurrence ... a 419

EPIDEMIOLOGY
the health of Hispanics in the southwestern United States: an epidemiologic paradox ... a 253
key epidemiologic questions about AIDS and infection with HTLV-III/LAV ... a 234

EYES
Hopkins develops simplified eye test for vitamin A deficiency in Third World ... br 112
integrating ophthalmological and optometric services in a VA hospital program ... a 429
students, optometrists prove feasibility of mass vision screening in Portland, OR ... abs 102

FAMILY PLANNING
erratum: visit rate for family planning services ... br 658
long-term vasectomy safety discussed in NICHD pamphlet ... br 556
paths to adolescent parenthood: implications for prevention ... a 132
source of service and visit rate for family planning services: United States, 1982 ... a 405

FLUORIDATION, WATER
the fluoridation status of U.S. public water supplies ... a 157
IHS engineer is cited for inventing fluoridator based on Venturi principle ... br 442

FOOD
approved uses of radiation in food broadened by FDA's new rule ... br 224
public health and food safety: a historical association ... a 624
San Diego surveyed for heart-healthy foods and exercise facilities ... br 216

FOOD AND DRUG ADMINISTRATION
approved uses of radiation in food broadened by FDA's new rule ... br 224
FDA's Radiological Health Bulletin is available electronically ... br 444
FDA streamlines procedures for approving new devices ... br 663
the Food and Drug Review: FDA's internal record available on microfilm ... br 114
1985 National Drug Code Directory published by FDA ... br 224
new drug approval record set in 1985 by FDA: Bowen ... br 223
uniform aspirin labeling regulations proposed by Reye syndrome alert ... br 221

FOODBORNE ILLNESS
foodborne streptococcal pharyngitis after a party ... a 211

FORECASTS
Acquired Immunodeficiency Syndrome: current and future trends ... a 459
black, Hispanic physicians to increase by year 2000 ... br 556
perspectives on the future role of public health ... br 109

GENETICS
health family trees target prevention strategies ... abs 105
primer on current advances in genetics available ... br 112

GOVERNMENT PROGRAMS, GRANTS, SERVICES
community injury control programs of the Indian Health Service: an early assessment ... a 632
curtailment of well child services by a local health department: impact on rural 2-year-olds ... a 301
Federal health services grants, 1985 ... a 499
Indians' right to access to services reaffirmed in HHS policy agreement ... br 560
Johnson, HUD launch program for mentally ill in eight large cities ... br 224
the management and use of data on maternal and child health and crippled children: a survey ... a 320
six major family programs merged in one HHS office ... br 336
voluntary reporting system for occupational disease: pilot project, evaluation ... a 278

GYNECOMASTIA
gynecomastia among Ethiopian Jews ... ltr 237

HEAD START
the Head Start dental component: evaluation of an urban program ... a 433

HEALTH EDUCATION
breast cancer education publications ... cover 3, May-June
decreasing the incidence of hypertension through physician-facilitated group education programs ... abs 103
dental health promotion aimed at college students ... abs 103
education of young children concerning poison prevention ... a 90
the Healthy Mothers, Healthy Babies Coalition: four years of progress ... a 147
helping to safeguard latchkey children ... abs 107
medical students in community and migrant health centers successful ... br 109
the National Cholesterol Education Program ... e 2
Ohio achieves 1990 STD education objective ... br 222
pelvic inflammatory disease prevention program ... abs 105
pharmacy students can be beneficial in the area of drug abuse ... abs 106
prevention and control of dental diseases of the institutionalized elderly ... abs 104
teaching the benefits of flossing in San Antonio ... abs 103
testicular self-examination: a public awareness program ... a 98

HEALTH MAINTENANCE ORGANIZATIONS
number of federally qualified HMOs soared in fiscal 1985 ... br 111

HEALTH MANPOWER
black, Hispanic physicians to increase by year 2000 ... br 556
health manpower shortage areas declined in 1985 ... br 337
health personnel up; significant increases in numbers of women ... br 557
hierarchical patterns of U.S. health sector are subject of APHA report ... br 443
900 NHSC scholarship recipients to be matched to shortage areas ... br 445
overview of research on women in medicine—issues for public policymakers ... a 513
U.S. hospital employment steady, long-term psychiatric jobs down ... br 223

HEALTH PROFESSIONS EDUCATION
the AHEC contribution to social work education ... a 187
clinical nurse scholars program's deadline nears ... br 338
the flaw in Dr. Roemer's argument (for DrPH training) ... ltr 447
medical students in community and migrant health centers successful ... br 109
the need for professional doctors of public health ... a 21
new settings, scientific advances explored in meetings on geriatric education ... br 559
practices for improving pregnancy outcomes outlined by author ... br 444
response to Dr. Rathbun (on DrPH training) ... ltr 447
response to Dr. Wykoff (on DrPH training) ... ltr 448
a second opinion on Dr. Roemer's proposal (on DrPH training) ... ltr 447
UNC expands MPH training for Native American students ... br 221
urban AHECs: a comparison with rural AHECs ... a 637

HEALTH PROMOTION
Community Health Promotion Grant Program announced by Kaiser Foundation ... br 439
dental health promotion aimed at college students ... abs 103
Minnesota plan for nonsmoking and health: multidisciplinary approach to risk factor control .. a 270
the 1985 Health Promotion and Disease Prevention Survey ... a 566
of oaks and acorns—student ideas on prevention .... e 3
197 communities get HHS Secretary's health promotion award ... br 554
a proposal for detecting and managing gestational diabetes by coordinating existing services ... a 94

HEALTH SERVICES USE
community mental health care for the elderly—a look at the obstacles ... a 294
use of health care by chronically ill children in rural Florida ... a 644
use of physician services following participation in a cardiac screening program ... a 315

HEALTH STATUS
fitness of U.S. school children deteriorating ... br 441
health habits of U.S. adults, 1985: the "Alameda 7" revisited ... a 571
the health of Hispanics in the southwestern United States: an epidemiologic paradox ... a 253
health problems of minority groups: public health's unfinished agenda ... e 230
the nation's report card: "Health, United States, 1985" ... cover 3, January-February
new report analyzes ways of assessing health status .. br 663

HEARING LOSS
otitis media, hearing loss, and child development: a NICHD conference summary ... a 289

HEIMLICH MANEUVER
back blows and chest thrusts for choking victims? Dr. Heimlich answers ... ltr 454
Dr. Koop responds ... ltr 123
editorial was premature and misleading ... ltr 122
Heimlich Maneuver or chest thrust or ? ... ltr 123

HISPANICS
access of Hispanics to health care and cuts in services: a state-of-the-art overview ... a 238
black, Hispanic physicians to increase by year 2000 .. br 556
cancer mortality, ethnicity, and socioeconomic status: two New York City groups ... a 547
the health of Hispanics in the southwestern United States: an epidemiologic paradox ... a 253
promoting breast feeding among Hispanic women in Santa Cruz County ... br 661
suicide and homicide among Hispanics in the Southwest ... a 265

HISTOPATHOLOGY
histopathology in tropical medicine: a perspective .... a 417

HISTORY
the Food and Drug Review: FDA's internal record available on microfilm ... br 114
the nationalization of a disease: a paradigm? ... a 399
public health and food safety: a historical association a 624

HOMELESS
management of tuberculosis in urban homeless indigents ... a 481
role of nurses in meeting needs of the homeless: summary of a workshop for providers, researchers, and educators ... a 494
tuberculosis screening in Boston's homeless shelters .. a 487

HOMICIDE
suicide and homicide among Hispanics in the Southwest ... a 265

HOSPITALS
converting a teaching hospital medical clinic to a group practice: patients vote with their feet ... a 76
demonstration shows hospital primary care possible and effective ... br 111
a hospital-home fall prevention program for the elderly ... abs 102
hospital outpatient visits soared in 1985, inpatient occupancy dropped ... br 441
incorporating outcome standards into perinatal regulations ... a 59
integrating ophthalmological and optometric services in a VA hospital program ... a 429
1983 hospital utilization profiled in new NCHS report br 112
Pentagon orders look at military hospital care ... br 336
rural hospitals respond to threats of survival ... br 557
U.S. hospital employment steady, long-term psychiatric jobs down ... br 223

HYPERTENSION
decreasing the incidence of hypertension through physician-facilitated group education programs .... abs 103
hypertension knowledge, attitudes, and behavior: 1985 NHIS findings ... a 599
hypertension-related mortality in California ... a 39
video games may identify hypertension-prone youngsters ... br 554

IMMIGRANTS
cancer mortality, ethnicity, and socioeconomic status: two New York City groups ... a 547
gynecomastia among Ethiopian Jews ... ltr 237
new surveillance system developed for SUDS cases ... br 337
volume on Southeast Asian refugee mental health is available from NIMH ... br 111

IMMUNIZATION
hepatitis B immunization program at a university health center ... abs 106
Hopkins gets $4.7 million A.I.D. grant for child survival programs in the Third World ... br 222
improved system of providing immunizations in Native American communities ... abs 107
premarital rubella screening program: from identification to vaccination of susceptible women in the State of Hawaii ... a 329

INDIGENT
curtailment of well child services by a local health department: impact on rural 2-year-olds ... a 301
medically indigent problem subject of new report .... br 225
new HHS regulation assures continued indigent care . br 446
tuberculosis screening in Boston's homeless shelters .. a 487

INFECTIOUS DISEASES
new Red Book on infectious diseases issued by Academy ... br 561

INFLUENZA
risk of acute respiratory disease among pregnant women during influenza A epidemics ... a 205

INJURIES
agencies agree to develop Indian injury control program ... br 338
American Indian safety posters ... cover 3, March-April
community injury control programs of the Indian Health Service: an early assessment ... a 632
Hopkins to conduct study of amateur boxing ... br 336
injuries are not accidents ... ltr 124
tracking 1990 objectives for injury prevention with 1985 NHIS findings ... a 581

INTERNATIONAL HEALTH
WFPHA calls for abstracts of papers for March 1987 meeting in Mexico City ... br 445
WHO world health statistics ... br 334

LEPROSY
the nationalization of a disease: a paradigm? ... a 399

LETTERS TO THE EDITOR
back blows and chest thrusts for choking victims? Dr. Heimlich answers ... 454
clarification of sodium figure quoted in 1990 objectives for the nation ... 123
Dr. Koop responds on Heimlich Maneuver ... 123
Dr. Waldron replies ... 456
the flaw in Dr. Roemer's argument (for DrPH training) ... 447
gynecomastia among Ethiopian Jews ... 237
Heimlich Maneuver editorial was premature and misleading ... 122
Heimlich Maneuver or chest thrust or ? ... 123
identifying mesotheliomas on death certificates ... 457
injuries are not accidents ... 124
less "good news" and more accurate news is needed for cancer prevention ... 5
lung cancer rates are alarming and are NCI's greatest challenge ... 5
response to Dr. Rathbun (on DrPH training) ... 447
response to Dr. Wykoff (on DrPH training) ... 448
a second opinion on Dr. Roemer's proposal (on DrPH training) ... 447
